

# Weed Program Update March 2024

Ivan Cafarella

- Important Window of Opportunity
- Scoping out new sites
- Infestation extent on existing sites
- Variability in flowering window

- Relatively new program
- Indicates magnitude of infestation for Upper Stanley
- Opportunity for community connection
- Helps to familiarise us with catchment area
- Aids in understanding of method of spread

## Fisher Road Madeira

- Existing site downstream from here
- Area heavily overgrown
- MV indistinguishable from other vines
- Junction of Ewen Ck & Stanley River

Fisher Road Madeira

Madeira McCarthy Shute Rd, Maleny

Madeira- River Road, Wootha

- Top priority given remaining funding
- Hot wet summer has provided ideal growing conditions
- Still acquiring new sites
  - Catchment drive
  - Community support

Heavy infestation- Landsborough-Maleny Rd, Maleny
