

LBCCG MEMBERSHIP APPLICATION

LBCCG is a not for profit community group working to improve the water quality of the catchment and Lake Baroon. The group receives generous support from Seqwater and other funding bodies to develop and implement on-ground works that improve water quality.

Members can attend monthly meetings; have access to LBCCG services, technical advice and may apply for funding for worthwhile projects. Members must be at least one of the following: (a) a resident of Sunshine Coast Council; (b) a ratepayer in the Sunshine Coast Council; (c) working in the Lake Baroon catchment; or (d) a community group whose members live in the Lake Baroon catchment.
